

Solitude

Enjoy a light spicy fragrance from large blooms of bright orange / yellow tones

Touch of Class

Profuse pink blooms shaded with coral and cream open from long spiraled buds

Voodoo

Ever-changing colors and heady sweet perfume are the hallmarks of this super-vigorous rose

Blue Girl

Dark green foliage contrasts with silvery lilac-blue blooms on vigorous disease-resistant bushes

Christian Dior

Classic blooms are fragrant and abundant on tall vigorous bushes

Chrysler Imperial

Large vivid crimson blooms with darker overtones contrast with excellent foliage on sturdy plants

Garden Party

Apple-blossom pink flowers edged in cream unfurl from long, tapered buds with luxurious green foliage

Golden Masterpiece

Fragrant golden blooms emerge from graceful, long buds on vigorous stock

John F. Kennedy

Strong stems support beautiful shaped white blooms that are stunning against glossy, leathery foliage

Miss All American Beauty

Dark pink blooms on single stems win you over with their large size and magnificent color and fragrance

Montezuma

Light fragrance wafts from a profusion of orange-red blooms on compact, vigorous bushes

Oregold

Magnificent deep lemon-yellow blooms with a delicate tea fragrance are borne singly on long stems
