

Rental Rate Policies

The following is a brief explanation of our rental rates, policies, and how they work. If you have any questions please feel free to call us at 401-247-0400. We will be glad to answer any questions you may have.

Party equipment rates are based on a three day period for the one event rate.

Equipment rented during the week (Monday – Friday) can be picked up/delivered the day before the event and returned the day after. Equipment rented for a weekend (Saturday – Sunday) can be picked up/delivered Friday or Saturday and returned Monday for the one day rate. Please note that some of our party equipment items use the regular equipment rates.

All party equipment must be returned rinsed free of food and liquids.

Equipment rates are based on time out.

We have four hour, daily, and monthly rates. The four hour rate is our minimum charge. Equipment picked up/delivered is due back within four hours. After four hours, our daily rate applies. The daily rate is based upon a 24 hour day Monday – Friday. Equipment picked up on Saturday morning will be due back by 4:00 pm for the daily rate. Equipment picked up at 4:00 pm on Saturday will be due back Monday between 7:30 and 9:00 am for the one day rate. We are open Sundays seasonally which may affect return times.

Damage Waiver: A damage waiver is available on most of our equipment for an additional 15% charge. Details are available on the back of the contract.

Delivery and Pick Up: Delivery and pick up is available for all of our products. There is an additional charge for this service.

Additional Charges: Additional charges will occur if equipment is kept longer than the original contract period. If rental items are damaged or missing additional charges will apply.

Please notify us immediately if you have any problems, questions, or need to extend a rental. We are here to provide a service to our customers and will do our very best to rectify and problems.
