

Blueray Blueberry

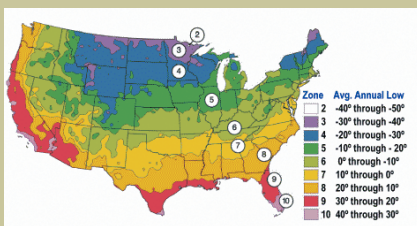

Vaccinium corymbosum ×

An old favorite, outstanding dessert flavor. Leading variety for U-Pick markets. Large (60/ cup), bright blue berry. Excellent ornamental value, stunning pink spring flowers, dark green color in summer and burgundy red in fall. Performs well in areas with hot summers or very cold winters.

Ripens: Early to mid-season

Grows Upright to 4-6 feet.

Cold hardy to U.S.D.A. Zone 4.
