

Sequoia Strawberry

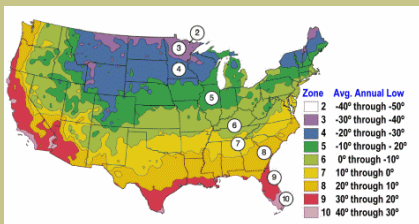

Fragaria sp.

First choice for home gardeners.

Very large. Medium red color, not good for shipping but great for the home owner. The sweetest, best tasting strawberry and the most popular. #1 recommended variety for back yard use. Blooms within 10 weeks after planting.

Grows 6-8 inches tall and spreads by runners.

Cold hardy to U.S.D.A. Zone 5.

Since 1944
