

WEED CONTROL LEADS TO BETTER GRAZING

SUPERIOR HAY AND PASTURE MANAGEMENT STARTS WITH THE EXPERTS AT SOUTHERN STATES®. When it comes to controlling weeds and creating the perfect pasture for your livestock, you can trust our decades of experience to provide you with timely recommendations and friendly help when it comes to:

- Regularly scouting pastures to determine weed type and growth stage
- Identifying the proper herbicide for your situation, as well as the best time to spray for maximum impact
- Accounting for herbicide replant intervals when planning pasture rotations
- Utilizing sound agronomic practices to help prevent weed growth

To learn more about optimal pasture management, visit www.southernstates.com or contact your local Southern States representative today.
