PERSONAL GUARANTY

Date: _____

In consideration of the extension of credit by Northwoods Lumber Co., (hereinafter called "Company") to _____ (hereinafter called "Purchaser"), I, and, if more than one, each of us ("Guarantor") jointly and severally, hereby absolutely and unconditionally guarantees the prompt and due payment to the Company for all merchandise (and/or labor) sold to, ordered by, produced for, or shipped to the Purchaser from time to time hereafter.

If Purchaser conducts business under an assumed name, Guarantor further jointly and severally, absolutely and unconditionally guarantees the prompt and due payment to the Company for all merchandise (and/or labor) sold to, ordered by, produced for, or shipped to any entity conducting business under such assumed name from time to time hereafter.

The Guaranty shall be a continuing guaranty and until revoked shall cover indebtedness of the Purchaser to the Company arising under successive transactions that either continue the existing indebtedness or, from time to time renew it after it has been satisfied.

Each Guarantor authorizes the Company to conduct credit investigations and obtain individual credit reports for himself/herself. Guarantor agrees to pay all collection costs and expenses, including attorney fees incurred in the collection of the account.

Guarantor agrees to pay all interest accruing on account until paid in full at the rate of 16% per annum, but in no event shall the interest payable hereunder exceed the maximum nonusurious interest rate permitted by Minnesota law.

This Guaranty may be revoked by written notice personally delivered or sent by certified mail to the Company. Revocation shall be effective on the Company's receipt of the notice or on such later date as may be indicated therein. Such revocation shall not release Guarantor from liability hereunder for merchandise sold to, ordered by, produced for, or shipped to the Purchaser prior to the receipt by the Company of the Notice of Revocation. Guarantor hereby agrees to waive any and all rights of subrogation against the Purchaser in the event that Guarantor is required to pay any money pursuant to this guarantee.

All notices from the Company of sales to the Purchaser, defaults by the Purchaser, demands for payment, extensions of time, and other notices required or customarily given are hereby waived, and this Guaranty shall not be affected by the Company granting the Purchaser an extension of time, nor by the acceptance by the Company of partial – payments, releases, settlements or compromises of any claim of the Company against the Purchaser or other Guarantors nor by the receipt of other guaranties or security. Guarantor waives any and all defenses, claims, setoffs, and discharges of the Purchaser, or any other obligor, except the defense of discharge by payment in full. Without limiting the generality of the foregoing, Guarantor will not assert against the Company any defense of waiver, release, discharge in bankruptcy, statute of limitations, res judicata, statute of frauds, anti-deficiency statute, fraud, ultra vires acts, usury, illegality or unenforceability which may be available to the Purchaser, or any setoff available against the Company to the purchaser, whether or not on account of a related transaction, and the undersigned expressly agrees that he/she shall be and remain liable for any deficiency remaining after foreclosure of any mortgage or other security interest securing any part of the debt owed by the Purchaser to the Company, notwithstanding provisions of Minnesota law that may prevent the Company from enforcing such deficiency against the Purchaser.
