

Howe Lumber is a full service lumber supplier and hardware store located on easy to reach Route 9 in central MA. Family owned and operated since 1965, we are committed to helping customers from frame to finish and every project in between.

We stock a variety of materials for all of your construction needs. In addition to our rental center, we offer kitchen and bath design, deck design, door and window measures and estimating services.

Adjacent to our retail store, you'll find a 3,000 sq. ft. showroom showcasing the latest in kitchen, bath, doors and windows.

Whether your next project is large or small, stop in or call one of our experienced salespeople to help. Let us show you HOWE!

BOSTITCH

AIR COMPRESSOR

2.0 SCFM* delivered @ 90 PSI pump. 2.5 gallon tank and 150 max PSI enables many nails to be fired with quick recovery. Durable oil free pump provides extended maintenance-free operation.

FAST-CUT SAW

Light weight and balanced for less operator fatigue. Smooth start decompression valve reduces start up force by 70%. 12" or 14" blade capacity models. Fully adjustable blade guard.

DECK FASTENER TOOL

The fastest way to install hidden fastening clips into grooved decking. Features a unique nose piece that holds clips in the correct position every time, firing a screw nail (Scrail) through the clip into the joist – fastening the deck board to the joist in one step.

PORTABLE CONCRETE MIXER

Offers the easy transport of a wheelbarrow with the charging and discharging convenience of a pedestal. Easy-to-clean, polyethylene drum. Replaceable steel mixing blades for smooth easy mixing.

BRUTE™ BREAKER HAMMER

Delivers 1,000 BPM and 35 ft.-lbs. of impact energy, making it a powerhouse with the best concrete removal rate in its class. Runs on any 115/120V AC/DC, 15 amp outlet or 2,500-watt portable generator - no compressor needed. With included cart.

ALSO AVAILABLE:

- Tile & Concrete Saws and Saw Blades
- Trim Cutter Material Cutting/Slicing Tools
- Aluminum Bending Brakes • Breaker Hammers • Generators
- Demolition Hammers • Hammer Drill Bits & Accessories
- Air Powered & Manual Floor Nailers • Framing Nailers

DIY Home Improvement

ORBITAL SANDER/ POLISHER

Allows the DIYer to accomplish the work of a rotary polisher! Applications include:

- Screen & recoating polyurethane floors
- Waxed floors scrubbing & polishing
- Wood deck sanding & refinishing
- Tile maintenance and more

PRESSURE WASHER

A compact powerhouse that generates 3000 PSI, more than 60X as much pressure as a typical garden hose. An uncluttered design with easy access to the engine and pump offers unrivaled ease of use.

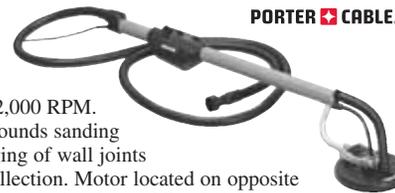

BAKER-STYLE SCAFFOLD

28"W x 6'L x 6'H. Narrow design fits through standard door openings making it very portable to move from room to room. 1,000 lb. capacity. For both interior and exterior use.

DRYWALL SANDER

Variable-speed dial settings from 1,400-2,000 RPM. Brush-type skirt surrounds sanding pad, preventing gouging of wall joints and aiding in dust collection. Motor located on opposite end of handle from sanding head, providing balance and control. Built-in dust collection hose.

ALSO AVAILABLE:

- Drain Cleaners • Drywall Sanders • Floor Edgers
- Submersible Centrifugal Pumps • Submersible Trash Water Pumps
- Drum Floor Sanders • Folding Arch Ramps • Hand Trucks
- Spray Gun Extension Wands • Siding Brake Stand with Wheels
- Discharge Hoses • Carpet Cleaners/Extractors • Glue Guns
- Paint Sprayers • Wallpaper Steamers

TORO

HYDRAULIC AERATOR

Features an easy-to-use hydraulic drive system with excellent maneuverability. A wide unibody frame provides a low center of gravity for excellent side hill stability. Plus, it's compact enough to get into the tightest areas and can aerate in reverse to back out.

22-TON LOG SPLITTER

Features a powerful Briggs and Stratton engine to ensure optimal performance. Offers 22 tons of splitting force and a 13 second cycle time. Can function in both horizontal and vertical splitting positions.

MAXIM

HEAVY-DUTY FRONT TINE TILLER

Break new ground, till deeper in one pass and work in heavy clay soils. Pull plows, cultivators, and other accessories. Adjustable tilling width. Made with substantial gardens and tough conditions in mind.

FORWARD PLATE

Easily compacts mixed soil, granular soil, or asphalt with ease. Patented sprinkler system dispenses a sheet of water uniformly across the base to prevent asphalt from sticking and helps reduce dust in dirt applications.

TORO

ALSO AVAILABLE:

- Augers and Auger Extensions • Stump Grinders
- Field and Brush Mowers • Tow Behind Dethatchers
- Walk Behind Overseeders • Wheelbarrows
